LANGUAGES

Tamil
Kannada
English

SKILLS

Programming Languages: Java, C++, PHP, SQL
Web Development: HTML, CSS, JavaScript
Database Management: MySQL
Operating Systems: Windows, Linux
Concepts: Data Structures, Cloud Computing..

CERTIFICATION

IBM- Cyber security fundamental

IBM-Web Development Fundamental

NPTEL-Cloud Computing in IIT Kharagpur

PROFILE

Motivated and detail-oriented BCA Cloud Computing student with a solid foundation in programming, web development and database management. Demonstrated ability to apply theoretical knowledge through practical projects, including the development of a dynamic broadcasting web portal and a relational database system for railway reservations. Strong interpersonal skills, with certifications in cybersecurity and web development from IBM and a commitment to continuous learning and technical excellence.

EDUCATION

Second Pre-University (PU) Studies
APS PU College, Bengaluru 2023 | 50%
Bachelor of Computer Applications (BCA) - Cloud Computing
CMR University, Bengaluru
Current CGPA: 7.8
Expected Graduation: July 2026

PROJECT

CmrVibeWaves (Broadcasting Web Portal)3rd Semester Project
Developed a dynamic broadcasting web portal (cmrvibewaves.liveblog365.com) using HTML, CSS, JavaScript, PHP, and MySQL.
Implemented database management and advanced data structures for content and search optimization.
Railway Reservation System (Database Design)1st Semester Project
Designed and developed a relational database for railway reservations using MySQL.
Focused on data normalization, entity relationships, and query optimization.
